Elevating Fragrance with Nature's Finest

With over a century of Natural expertise in production, quality control, and responsible sourcing, Givaudan's Fragrance Ingredients Business stands at the forefront of the industry. The strategic acquisition of Albert Vieille in 2019 has further enriched our portfolio, allowing us to seamlessly blend tradition with innovation.

Our wide range of natural ingredients - including essential oils, absolutes, and resinoids - reflects our commitment to excellence. Each product is meticulously produced and controlled to meet the rigorous standards of our customers across the fragrance, cosmetics, and wellness sectors.

At Givaudan, we harness the power of Nature, supported by our deep perfumery expertise and a culture of innovation.

We invite you to explore our Fragrance Ingredients Naturals portfolio, where quality and sustainability converge to create captivating sensory experiences.
